The property

This well-balanced village house has been
presented with much style and offers flexible
living within easy reach of all the amenities that
this charming village has to offer. Recently built
with thoughtful design, the house is efficient
and therefore economic to run.

On entry, a sight-line through the house past
the family room to the garden is an appealing
introduction as is the lovely rich walnut floor.
The sitting room and a study are to the right
and left respectively and towards the back of
the house a well planned and practical kitchen
and family room interact well to provide a
sociable environment. There is also a utility
room and a separate cloakroom

Upstairs, the principal bedroom features an en-
suite shower room, there are two further double
bedrooms and there is a family bathroom with a
tub and separate shower unit. On the top floor a

further generous double bedroom and dressing
room add a further dynamic to the house.

Outside

This tiered, south facing and principally decked,
secluded sun trap is 'low maintenance' and
features various areas for sitting, dining, or
accommodating planters for colour.

Beyond the garden, there are two allocated car
parking spaces, quite rare for houses of this
profile and this close to the centre of Odiham.

Location

Lancaster Cottages can be found towards
the eastern edge of the village. Odiham has
a charming high street which offers a superb
range of amenities including a post office,
cafés and public houses. There are also many
footpaths which are accessible from the High
Street which lead into many varied country
walks. A further selection of shopping and
leisure facilities can be found within easy reach
in both Basingstoke and Farnham. Road links
in the area are excellent with the nearby M3
providing easy access into London and towards
the South West, and the nearby mainline
stations at Winchfield and Hook offer fast
direct services into London Waterloo. There
are several well regarded schools within easy
reach including Robert May's School, Mayhill
Junior, Buryfields Infant, Wellesley and Lord
Wandsworth College.
