The property

A modern detached family house providing immaculately presented, contemporary accommodation, with a neutral colour palette and an open ambience offering a calming and uncomplicated environment for modern lifestyles. Lofty windows ensure rooms are filled with natural light and the tiled flooring with under-floor heating in the spacious hallway extends across much of the ground floor providing practicality and a sense of harmony to reception areas.

The heart of the home is the impressive open-plan kitchen/dining and sitting room at the rear, which enjoys an outlook over the garden and French doors to the terrace, creating a seamless transition from the inside to the outside. Fitted with sleek cabinetry, topped with stone work surfaces, a Quooker tap and water softener, the kitchen has integrated appliances and a breakfast bar unit which forms a subtle divide to a dining area and casual seating space. A separate sitting room offers an alternative area in which to relax. The ground floor also

comprises a Neville Johnson study which is ideal for those seeking to work from home, a utility room with external door, and a cloakroom.

On the first floor, the cool décor continues and the accommodation is arranged as four rooms and a smartly-appointed modern family bathroom. Three rooms present as bedrooms, two of which enjoy the benefits of stylish en suite facilities, whilst the fourth bedroom is currently being utilised as an additional home office.

Outside

Beech hedging fronts the road, with a planted bed on the opposite side of the paved driveway creating a separation to the neighbouring home. The driveway provides parking for two cars and access to the integral garage and EV charger. A timber side gate provides a route to the low-maintenance rear garden where a large porcelain-tiled terrace adjoins the rear of the house and extends across the width of the plot. With direct access out from the living area, the terrace offers an extension to the home and provides opportunities for outdoor dining, relaxation and entertaining.
