The property

Flamstone Cottage is an attractive white painted brick-built cottage offering more than 2,200 sq ft of light-filled, flexible and characterful accommodation arranged in an L-shaped configuration over two floors. Dating back to the 18th Century, the property provides an ideal family and entertaining space and sensitively combines modern amenities with a wealth of period features, including a thatched roof, casement glazing and exposed beams.

The ground floor accommodation flows from double doors opening to a rear reception hall with a useful fitted utility room/cloakroom. The house enjoys a large L-shaped, split-level sitting room forming two distinct reception areas. One has a well-proportioned, inter-connecting study with built-in office furniture and the other has French doors to the rear terrace. Both areas benefit from feature fireplaces, one with an inglenook and bread oven, the other flanked on each side by bespoke storage, both have woodburning stoves.

The ground floor accommodation also features a dual-aspect kitchen equipped with a range of wall and base units, wooden worktops, an Aga, modern integrated appliances, and a walk-in pantry. The kitchen has a door to the driveway and opens to a glazed Amdega garden room with French doors opening onto the terrace and large picture windows offering stunning views of the rear garden and the countryside beyond.

A staircase rises from the sitting room to a generous first floor landing with useful storage, giving access to the principal (with open views) and two further bedrooms, two with built-in wardrobes, as well as to a family shower room (with underfloor heating) with separate cloakroom. A separate staircase from the reception hall gives access to a second landing with doors to a second entrance to bedroom 2 and to the property's remaining double bedroom and a modern family bathroom with freestanding bath and separate shower.

Outside

Having plenty of kerb appeal, the property is approached through a five-bar gate over a block-paved side driveway providing private parking, giving access to the detached garage and external store (neighbouring the kitchen) and with a pedestrian gate to the terrace. The generous enclosed rear garden is laid mainly to lawn bordered by well-stocked flower and shrub beds and features a generous wraparound paved terrace, ideal for entertaining and al fresco dining, the whole enjoying stunning views over surrounding countryside including a scenic lake, fed by the River Ebble.
