The property

Dating from the late 18th century, Burgess House is an attractive detached family home offering almost 2,700 sq. ft. of sensitively modernised accommodation arranged over two light-filled floors. Providing an ideal family and entertaining space, the ground floor accommodation flows from a storm porch and welcoming wooden-floored reception hall with useful cloakroom. This leads to a large triple aspect sitting room with delightful views over the garden and beyond, open fireplace, and a front aspect dining room with exposed brick open fireplace. The neighbouring beamed drawing room has exposed wooden flooring, a feature open fireplace and French windows to the front aspect. The ground floor accommodation is completed by a kitchen offering a range of wall and base units, a Belfast sink, two-oven Aga, modern integrated appliances, and a useful neighbouring fitted utility room. Flowing seamlessly from the kitchen is a generous dining area with two glazed doors and French windows to the courtyard garden.

Stairs rise from both the reception hall and the drawing room to the first floor. From the reception hall, there is access to a dual-aspect principal bedroom with a fitted dressing room and a contemporary en suite shower room, as well as a neighbouring family bathroom. The stairs from the drawing room lead to the family shower room and four additional bedrooms, one of which includes a door connecting to the principal bedroom landing.

Outside

Screened by an area of mature woodland, the property is approached through double five-bar gates over a gravelled driveway providing private parking and giving access to a detached double garage. Lying principally to the front and side of the property, the garden is laid mainly to lawn and features a walled courtyard garden off the breakfast/dining area, two gazebos and a swimming pool with paved surround, the whole ideal for entertaining and al fresco dining.
