The property

Hellis Barn is a charming Grade II listed property that features exposed timber beams and a deep brick-built fireplace alongside sympathetic modern additions that help to create a light, airy feel throughout.

From the covered entrance the timber front door provides access into the stunning dining room which has a delightful view across the garden. There is an opening through to the useful home study and door to the cloakroom. The kitchen and breakfast area provides space for informal dining and includes an Aga, a stainless steel range cooker, space for further appliances and walk in larder. The rear hall has a galleried landing, full-height windows and plenty of exposed timber. There is a comfortable drawing room with a commanding fireplace, which is fitted with a woodburning stove.

The first floor offers three well-presented bedrooms, two of which are en suite doubles, together with a family shower room. The principal bedroom benefits from a large walk-in wardrobe, while the second and third bedrooms both also have built-in storage. On the second floor there is a further bedroom or sitting room, and a useful utility room, which could be converted to an en suite bathroom if required.

Outside

At the front of the property, the gravel driveway provides a parking space and access to the detached garaging. There is storage space above garaging and at its rear there is a workshop. The splendid walled rear garden includes paved terracing and pathways, various shrubs, raised beds, sunken gravelled area with ornamental pond. There is also a large attractive glasshouse.
