## The property

Holdfast End is a beautifully presented family home offering over 3,200 sq ft of light-filled and versatile accommodation, which has been lovingly and sympathetically renovated and extended by the current owners.

From the spacious reception hall, with bay window and solid oak floor, the accommodation has a natural flow, providing space for both entertaining and relaxing with family. The triple aspect vaulted sitting room, with solid oak floor, has a feature fireplace, with flame effect gas fire, and French doors to the terrace. A useful study/home office has views over the garden and fitted cupboards and shelving. The family room is also triple aspect, with solid wood floors, working fire and access to the decked terrace.

At the heart of the home is the superb kitchen/dining room with bespoke Harvey Jones fitted kitchen, central island with solid oak worktop, Rangemaster cooker and stylish Savannah Verde granite worktops. The dining area boasts a Juliet balcony with views over the garden and beyond. The inner hallway/boot room connects via a staircase to the utility, store and cloakroom.

On the first floor, the bedrooms lead off from a generous, light-filled landing. The principal bedroom is triple aspect with built-in wardrobes and a luxury en suite bathroom with dual sinks, bath and separate walk-in shower. There are four further bedrooms, one with bay window and built-in triple wardrobes and another being dual aspect. The contemporary styled family bathroom has stylish tiled flooring with contrasting tiled splashbacks.

## Outside

The property has a carriage driveway, providing ample parking, and is approached via full height automated wooden gates. The front garden is enclosed by neat hedging, providing privacy, with gates opening onto the rear garden. With far reaching views of the surrounding countryside, the garden is mainly laid to lawn, interspersed with mature specimen trees and flower and shrub borders. There are two raised sun terraces, one of which is covered, both providing relaxing locations for outside entertaining. The swimming pool has a paved surround and a covered area provides shade. The outbuildings can be used for a variety of purposes, including storage and workshop spaces.
