The property

With an attractive façade featuring decorative timber and white painted infills, St Nicholas offers enhanced accommodation, with light-filled rooms and on-trend interior design perfectly suited to meet the requirements of modern lifestyles. The warm tones of parquet flooring in the hallway extend into the adjoining formal dining room whilst the sitting room offers a relaxed space centred around a feature fireplace, with French doors opening to the garden. Filled with natural light courtesy of glazed doors and a vast skylight window, the kitchen/family room provides the convivial heart of the home with effortless zoning for informal dining and casual seating, and a seamless transition to the outside. Fitted with sleek cabinetry featuring curved units which soften corners, the kitchen has stone work surfaces and an island unit, with ancillary space provided by the adjoining utility room.

On the first floor, the rooms comprise five bedrooms, two benefitting from modern en suite facilities, and a luxurious family bathroom with sauna. Tucked away at the top of the house, the second floor offers a smart, flexible-use space with options to provide a sixth bedroom, a cinema/leisure room or a hang-out zone for teenagers.

Outside

A length of fencing, backed by attractive mature shrubs, fronts the roadway with access onto a gravelled driveway providing parking for several vehicles and leading to the integral garage. The rear garden at St Nicholas offers a green sanctuary with lush, mature planting and specimen trees to the boundaries giving a pleasing sense of seclusion. Paved terracing spans the back of the house with direct access out from reception areas extending the inside to the outside environment and offering opportunities for al fresco dining and relaxation. A run of stepped pavers offers a journey across the lawn to a second patio setting at the far corner of the garden for an alternative spot to enjoy this delightful outdoor space.
