The property

Northlands Farm is a magnificent Grade II listed farmhouse which dates from around the 17th century. It features more than 3,000 sq. ft of splendid living space with charming period details, including exposed timber beams and impressive fireplaces.

The ground floor of the farmhouse features three comfortable, flexible reception rooms including the dual aspect drawing room with its fireplace and French doors opening onto the garden. There is also a useful home study and a dining room and family room with an imposing inglenook fireplace. The well-proportioned kitchen and breakfast room offers plenty of storage in fitted units, as well as an Aga and space for a breakfast table for informal dining. Upstairs there are four double bedrooms including the generous principal bedroom with its en suite bathroom and plentiful built-in storage. One further bedroom is en suite, while

the first floor also has a family bathroom. On the top level, the 56ft loft has exposed timber eaves and boarded floors and could be converted into further living space if required.

The self-contained cottage has two well-presented reception rooms and a kitchen on the ground floor. Upstairs there are two double bedrooms and a bathroom with a separate shower.

Outside

At the entrance, gates open onto the gravel driveway which leads to a large parking area and the two garaging blocks. There is also a gated entrance onto a concrete hardstanding, which provides access to the open barn and stables. There are four stables in total, as well as a storage room, with a gate opening onto the large open field behind the house. The immaculate garden includes pristine lawns, well-kept border hedgerows and various mature trees. There is a patio across the back of the house and a heated swimming pool with its own sun terrace. There is also a vegetable garden with raised beds, gravel pathways and a greenhouse. The cottage has its own private garden with an area of timber decking, a lawn bordered by hedgerow and a patio. The grounds extend to 38 acres with level paddocks and woodland.
