The property

Originally two barns that have been connected, this charming property has been extensively renovated and offers thoroughly attractive and flexible modern living, while retaining plenty of character features. The heart of the home is the magnificent open-plan kitchen with dining area and sitting area that is split into three levels and extends to 29ft. This impressive space includes a part-vaulted ceiling with Farrow & Ball painted wooden eaves and skylights overhead that floods this room with natural light throughout the day. The kitchen and dining area has beautiful limestone flagstone flooring with underfloor heating. The dining area has a splendid stone-built fireplace with inset Aga multi burning stove and a stable door that leads to one of the outdoor private seating areas. Steps lead down to the kitchen with bespoke hand painted units and complementing granite work surfaces, integrated appliances, a central island, Aga and Belfast sink. The mezzanine level above the kitchen features a comfortable snug, providing further space in which to relax.

The living space continues to the central sunny garden room, with wooden flooring, vaulted ceiling and dual French doors opening onto the formal gardens. There is a generously proportioned sitting room with feature stone wall, modern fireplace and full-height windows that invites the natural light from the south facing gardens.

The principal bedroom benefits from extensive built-in storage and contemporary en suite shower. Also on the ground floor is a second en suite bedroom, ideal for guests. Upstairs you will find the two remaining double bedrooms also with built-in storage, as well as a family shower room.

Completing the accommodation is a useful utility room and cloakroom.

Outside

Remote controlled electric gates open to the gravelled driveway that provides plenty of parking space in front of the house and leads to the outbuildings, which include the detached garaging block with its two individual garages and double carport or hay store. The splendid garden is bordered with dry stone walls and includes rolling lawns, various mature trees and established hedgerows, with multiple seating areas including the beautiful Breeze House Oval Safari African Hut. The lawns extend down to a superb entertaining area which is ideal for alfresco dining with a bespoke cream Arabian style sail providing shelter and shade from the southwest sun.
